

Beulah Camp

and Conference Center

POLICIES

Thank you for considering Beulah Camp & Conference Center (BCCC). We are confident that as you enjoy BCCC, you will have a positive God-honouring experience and will find our facilities and hospitality warm and genuine.

BCCC is a Christian facility owned and operated by the Atlantic District of The Wesleyan Church. Basic Christian conduct in matters of relationships, behaviour, morals, integrity, and a cooperative spirit is expected from all present. As a further guide, we require that all persons on the grounds respect the following policies:

1. It is important to respect the privacy and comfort of others. Therefore, quiet is to be maintained throughout the grounds after midnight.
2. The use/possession of alcoholic beverages, tobacco, and non-medicinal drugs is prohibited.
3. During scheduled Sunday services at the Tabernacle, all recreational areas will be closed.
4. We encourage modest apparel on the grounds and bathing areas at all times. We further require that an adequate covering be worn by those going to and from the beach or wharf.
5. Those launching boats from the beach must exercise great care and caution in doing so, especially with the presence of infrastructure underwater piping in that area. People are requested to move their trucks/trailers away from the beach area to allow others the courtesy of access to the water. The beach is a "No Parking" zone.
6. Only those eligible to be licensed drivers are permitted to operate motorized vehicles on the grounds, golf carts included. Motorists are required to drive according to the posted limits and with caution.
7. Toilet tissue is the only paper product to be placed in toilets – no feminine products or diapers! These items cause serious problems to the system and could result in complete breakdown. This applies to cottages, trailers, Centennial Park, Heritage Hall, Heartland, as well as all public restrooms. No exceptions – extremely important!
8. Personal use of fireworks is prohibited.
9. Animals are not permitted in any Camp & Conference Center building, or on the beach (Department of Health directive). When dogs are not confined within a cottage or trailer, leashes are always required and owners are expected to clean up after their pets.
10. Advance approval is required when more than two dogs are housed on one lot at any time. At the discretion of BCCC Leadership, dogs may be required to wear a bark collar. Dog owners may be required to remove their dogs from the grounds upon written notice should safety concerns or excessive noise persist.
11. All Lessees are strongly encouraged to make unoccupied premises available for rent during the dates of Beulah Family Camp (ten days from the first Friday of July). Advanced approval is required by those who sublet cottages, seasonal lots, and residences when the rental exceeds four weeks; in addition to reference checks of the individual to whom you sublet. As the primary occupant with BCCC you are responsible for ensuring all expectations and standards of conduct are upheld by any renter. Failure to do so may result in BCCC action regarding your eligibility to remain the primary occupant. Please see the application for long term sublet rentals on our website.
